WARM UP BEGINS JUNE 30 WITH TEN SATURDAYS OF LIVE AND ELECTRONIC MUSIC

Lineup to Feature 75+ Artists Including New Additions Burna Boy, Just Blaze, Key! & Kenny Beats, Sahbabii, Florentino, Mndsgn, and Bali Baby

LONG ISLAND CITY, New York, June 21, 2018—MoMA PS1's pioneering outdoor music series Warm Up returns on June 30 with ten Saturdays presenting the best in live and electronic music. Taking place every week through September 1, Warm Up celebrates a wide range of artists: emerging and established, local and global, and across genres. With just days remaining before the start of the Warm Up season, MoMA PS1 announces seven new additions to the lineup of more than 75 artists.

For the first Warm Up on June 30, Nigerian rapper Burna Boy will join the lineup alongside Cashmere Cat, Venus X & Asmara, Valee, NÍDIA, Fuck U Pay Us, and Meriem Bennani. Also added: Key! & Kenny Beats on July 7; Sahbabii and Florentino on July 14; Just Blaze and Mndsgn on July 28; and Bali Baby on August 18.

This year's program welcomes Omar S, HoodCelebrityy, SOB x RBE, Cashmere Cat, Kelsey Lu, Maxo Kream, Lizzo, A-Trak, Gang Gang Dance, Josey Rebelle, Starchild + The New Romantic, and DJ Kass, as well as the New York debut of Laff Trax, a new collaboration by Chaz Bear of Toro y Moi and Jason Chung of Nosaj Thing, and a final-day headlining set by members of Discwoman, a collective that exclusively represents women and genderqueer artists. The current lineup follows below, and additional artists will be announced throughout the summer.

Advance tickets are currently available for all dates. To provide access to Warm Up for young local audiences, in 2018 the first 100 New York City high school students at each Warm Up will receive free admission.

Now in its 21st season, Warm Up is one of the longest running music programs housed within a museum. As an integral part of MoMA PS1's curatorial program, Warm Up seeks to elevate innovative and underrepresented voices and connect fans with music's most important artists. The program's alumni include contemporary creators Four Tet, Solange, Black Dice, Cardi B, Jamie XX, and Laurel Halo, as well as legendary DJs including Ritchie Hawtin, DJ Premier, and Total Freedom.

Each year, Warm Up takes place within a site-specific installation by the winners of the annual Young Architects Program. For summer 2018, MoMA PS1's courtyard will be transformed by Dream The Combine, a Minneapolis-based team whose design features large-scale mirrors that create unexpected visual connections. Warm Up attendees are encouraged to visit the museum galleries and experience MoMA PS1's acclaimed exhibitions of emerging artists, new genres, and adventurous work by recognized artists.

Warm Up 2018 is organized by Eliza Ryan and Naomi Zeichner (YouTube) with Taja Cheek (MoMA PS1). The curatorial committee includes: Dean Bein (True Panther Sounds), Taja Cheek, Isabelia Herrera (Remezcla), Jonas Leon (Leon Institute), Eliza Ryan, Venus X (GHE20G0TH1K), Matt Werth (RVNG Intl.) and Naomi Zeichner.

This year's Warm Up will feature rotating stage environments by young, emerging design talent, including Arch Angels, Unltd., Bodega Rose, and Maria Constanza Ferreira, Lauren Pedrosa, Paola Martinez, and Laura Casañas Maya.

Special thanks to Ace Hotel New York, official hotel of Warm Up 2018.
