

At Bank of America, we believe in the power of the arts to help economies thrive, educate and enrich societies, and create greater cultural understanding. That's why we are a leader in helping the arts flourish across the globe, supporting more than 2,000 nonprofit cultural institutions each year. The Bank of America Art Program is part of the company's commitment to grow responsibly while bringing value to economies, society and the communities we serve.

We congratulate the Museum of Modern Art on an extraordinary transformation and are pleased to support the reopening of this inspired space. MoMA has been a longtime partner of Bank of America, and the reimaged collection presentation is ambitious and engaging – offering an immersive experience to visitors from around the world.

We are honored to support this exciting moment, and hope that you truly experience all that MoMA has to offer.
